Message from:

✠Paride Taban Abraham Kenyi

Bishop Emeritus of Catholic Diocese of Torit

To H.E President Salva Kiir Mayardit, H.E Dr Riek Macher Teny, All political parties, All Peace Makers and His Holiness Pope Francis, Catholic Bishops, All other Religious Leaders, All Diplomatic Corps, All friends and Sudanese/South Sudanese. Merry Christmas 2020 and a prosperous New Year 2021.

We pray to God for all the SPLA/M who accompanied Dr. John Garang de Mabior in liberation and struggles from 1983 to 2005, those who sacrificed their lives for liberation of their brothers and sisters and for peaceful coexistence, especially for the Independence of South Sudan. **May their souls rest in eternal peace.**

We thank those who have been struggling till now to support our people and our country from hunger, diseases, economic difficulties, displacement and especially during this time of the COVID-19 pandemic and during the horrific floods. May God reward them in this world and give them long life for serving His people on earth.

Oh God, you love us in South Sudan so much, you feed us just as you feed the birds of the air. Many of us are alive not because of what we have, but because of You. Give us Your grace to repent for all the injuries that we inflicted on one another. May we forgive one another, forget the past and embrace each one with

fraternal love to bring a lasting peace with justice.

To our partners in development, thank you for journeying with us in the year 2020, one of the most challenging years in our times that globally humanity will live to remember.

We wish to thank you for your material and moral support in our struggle to realise our vision for Holy Trinity Peace Village Kuron. It is your support that enabled us to navigate through the storms of COVID-19, the flood of September 2020 and the successful implementation of our programs planned for 2020.

We wish you blessings, a cheerful **Christmas** and a prosperous New Year in **2021**.

GOD IS LOVE

+ Caban
