COMMENTS FROM VISITORS

Norway Ambassador: Norway still has a strong heart to continue supporting HTPVK

World Bank: Quite uplifting to see how you have developed the village. One of our "purposes" is to inspire others throughout the country.

Switzerlan Ambassador: Congratulations to all of you for the great accomplishments over the years.

Mr. Phillip Hayson: We are sitting in one of the most successful projects: HTPVK, which is bordered by one of the worst failures: Boma Wildlife Reserve.

Stromme Foundation: HTPVK is one of our best partners.

AVSI International: We are committed to supporting your education efforts for as long as we are able.

Secretary General of UNMISS: We appreciate all you do in this isolated place. UNMISS will support you as best we can.
